WELCOME TO INSHES VETERINARY CENTRE

Our Focus

Commitment - to having the knowledge and equipment to offer your pet the best possible healthcare.

Compassion - for pets who are ill, in pain or just apprehensive.

Common sense - to recognise what treatment is most appropriate for your pet, your family and yourself.

Testimonials

Inshes Veterinary Practice provides expertise, professionalism, sensitivity and genuine care, not just for the patients but also their stressed out owners. Our various animals have benefited over fifteen years of treatment, operations and after-care from the team at Inshes. The staff all demonstrate compassion and a genuine love of animals.

We wanted to thank you for your great expertise and we thought your Vets was absolutely superb - from reception, organisation, flexibility in fitting us in as holiday-makers - everything! We wish we had an Inshes Vets in the Scottish Borders!
